Shells Ada! Mailed out the little church paper
yesterday, and yours went to your home address.
Hope all is well with you and you are enjoying
being in your own home. Post Card
in the 80's during the day. Warm here now - about
showers for a week. Fishermen are sad - ocean
been reported very rough - waves 5+6 ft. - surf with
seaweed! You would never know your old, former
apartment! Jalousies in back + front doors - in bathroom
and various changes. (I can only judge by the
debris I see in the yard, - boards, etc. broken glass
pieces) Mother - Daughter banquet at church tonight
and I hope to go. The Post cards are on a project of
the Ladies Aid to help the building fund. News item! New
baby expected at Parsonage - No. 8. Best wishes! Alice M. Paul
